

President's Message

Dear STCA Members,

Thank you for the opportunity to serve our Club!

Our Constitution provides that the Board is in control of the operation of the Club. My personal interpretation of that provision is that the Board is *entrusted* with the affairs of the Club, and is charged to carry out the wishes of the majority, when they are in the best interest of our breed and organization. Contact me and other Board members with your suggestions and ideas. Let us know what you would like to have implemented, and how YOU are willing to help.

Nothing is more effective in the show ring than two Scotties sparring. That effectiveness is immediately destroyed when sparring becomes fighting. We are terriers, too. We are going to differ and spar. Let's not destroy our effectiveness by permitting our sparring to become fighting. Let us discuss-compromise-accept the will of the majority - and work together in harmony to move the Club forward.

Fred
