

President's Message

Dear STCA Members,

PLEASE DO ME A FAVOR! Attend YOUR Rotating Specialty, and the Dayton Club Specialty. Come as an exhibitor or as a spectator. The show site is excellent, and all events are under one roof. Take this opportunity to:

- See the promise of this year's puppies, and how last year's puppies have fulfilled expectations.
- Enroll in the Judge's Breed Study Group on Friday.
- Join your fellow members for the show dinner on Saturday and hear the Judges' critiques.
- Get better acquainted with your STCA board, all of whom plan to attend.

PLEASE DO YOURSELF A FAVOR! Participate in the election process. Support your nominating committee. Extend to them the same courtesies you would expect to receive. Give them the benefit of your recommendations for next year's officers and board members, **IN WRITING**, before they meet; instead of "a piece of your mind" after.

PLEASE DO OUR SCOTTIES A FAVOR! Support your STCA Health Trust Fund. Donations to the fund, and suggestions to the Trustees, and the Education/Health Committee are always welcome.

Sincerely,

Fred
