

# President's Message

Montgomery County weekend is always so much fun. It is filled with excitement for many reasons. The shows, banquet, annual meeting, and the presentation of awards that have been earned during the past year are all important parts of the weekend. But it also marks the new beginning for a new Board coming in to serve the members.

As your new president of STCA, I can

assure you that the Board and I want to focus on new ideas and enthusiasm for the Club as well as the wellbeing of the Scottie. We want to hear from you because we represent YOU. As I said at the banquet, please contact us with new ideas. I have already had several ideas presented to me from changes in the buffet on Friday, to including a veteran's sweeps. I can't promise all

"wishes" will be granted, but all will certainly be discussed by the Board. So join with us and let's make this year a super one! We all "win" a ribbon when we come together!

Hope to see you in March at the National Rotating Specialty in Kansas City!
